- 1 Students who register as full-time undergraduates for two or more consecutive semesters must take two PE courses. Students are urged to complete the requirement as soon as possible.
- 2 For students not enrolled in the Honors College.

This curriculum represents the maximum number of credits per semester for which a student is advised to register. A full-time credit load is 12 credits. First-year students are placed in a curriculum that positions them for success which may result in additional time needed to complete curriculum requirements. Continuing students should consult with their academic advisor to determine the appropriate credit load.
