

# Residence Life

---

Almost 2000 students live on campus in five coed residence halls and the Greek Village. More than 50 percent of first-year students live on campus. First-year students live in Cypress, Honors, and Redwood Halls. Upper-class students live in every building. Rooms are fully furnished (bed, desk, chair, closet, dresser), air-conditioned, wireless, and wired for the Internet and offer Residence Life Cinema (streaming service). Cable services are not provided. Each hall has common areas and facilities including lounges, study areas, kitchens, and laundry rooms. Snack and soda machines, recreational equipment (pool, ping-pong, large screen televisions, etc.), and mail service are also provided.

**Cypress Hall** is a coed facility that houses approximately 400 first-year, upper-class, and graduate students in single and double rooms. Suites are comprised of two bedrooms and a shared bathroom and foyer.

**Greek Village** is a coed facility that houses approximately 200 upper-class and graduate students in eight houses. Both fraternity and sorority members and nonmembers live in double rooms. Suites are comprised of two bedrooms and a shared bathroom. Each house has a common kitchen, dining, and living area (parlor space).

**Honors Hall** is a coed facility housing 360 first-year, upper-class and graduate students in single and double rooms. Suites have a shared bathroom. The building features a dining facility, convenience store, and fitness center. Residents assigned to the Honors Hall must be accepted to the Albert Doman Honors College.

**Laurel Hall** is a coed facility that houses 580 upper-class and graduate students in two-room suites. Suites consist of students living in single and double rooms, sharing a bathroom and foyer.

**Oak Hall** is a coed apartment facility that houses approximately 180 full-time upper-class and graduate students in both suite-style rooms and apartments. Each suite-style room is double occupancy with a kitchenette and a shared bathroom. Each apartment has a kitchen, living room, and bathroom. The eighth floor is designated for graduate and or non-traditional aged students.

**Redwood Hall** is a coed facility that houses 185 first-year and upper-class students living in single and double rooms. Residents share traditional floor bathrooms amongst the residents of the floor.

NJIT students use electronic cards for access to the residence halls. Desk attendants are on duty 24 hours a day and provide security for the residence halls by monitoring hall entrances and swiping resident IDs. All guests must have a valid government-issued photo ID and must be signed into the residence hall by a resident host. All guests must be accompanied by their hosts at all times. Residents wishing to host a guest under the age of 16 must receive permission from Residence Life; parental/guardian consent is required.

Residence Life has staff on-duty in each hall during non-business hours. Also, NJIT's Department of Public Safety Office police and public safety officers patrol campus 24 hours a day. Patrols are conducted on foot, in cars, and on bicycles. Additionally, campus emergency phones are located on campus. Rooftop surveillance cameras are mounted throughout campus and monitored around the clock.

Once you have been admitted to NJIT and submitted your \$250 university deposit, you can complete the Housing Application and Contract: <https://www5.njit.edu/reslife/apply.php>.

Applications for first-year students received by May 1 are guaranteed on-campus housing. After May 1, housing is assigned based on the distance you live from campus, need, and date of application.

## Food Services

The Dining facilities are located in the Campus Center and the first floor of the Honors Residence. NJIT's private food services vendor, Gourmet Dining, operates all of the dining options on campus. Meal plan options include both Continuous Dining and Flex Dollar options. The Continuous Dining meal plans, A-E, features continuous dining with unlimited returns during all of the posted hours. Flex dollars can be used at Continuous Dining (for those without meal plans or only have flex), Korner Kilt C Store, Tech Café, Taco Bell, The Grill, Highlander Pub, Village Market, and Warren Street Café.

All residential students with less than 60 earned credits are required to select a meal plan from A-E. After one reaches 60 credits, they may drop their plan for the next semester or select from any available plan.
