

Biomedical Engineering Minor

Requires a minimum of 18 credits of Biomedical Engineering courses:

Code	Title	Credits
BME 111	Introduction to Physiology	3
BME 301	Electrical Fundamentals of Biomedical Engineering	3
BME 302	Mechanical Fundamentals of Biomedical Engineering	3
Select three of the following:		9
BME 210	Processing Fund for Biol Signa	
BME 304	Material Fundamentals of Biomedical Engineering	
BME 3XX or BME 4XX	Upper-division BME course	
Total Credits		18
